Matt Hubbard
President, I.C.S.

Dear Matt,

This letter of recommendation is written with great pleasure and gratitude.

After terminating a contractor for cause, the Owners were in dire straits. We had an unfinished shoddy building and were under extreme time pressure. We would "be" on the street" within 5 months.

I.C.S. delivered in grand style. The building was transformed into an outstanding edifice, within the deadline, at a reasonable cost!

Thank you.

Sincerely,

E. Lawaczeck, M.D.

Ralph Z. Levene, M.D.
